Re: United States v. Manny Bana
09 Cr 672 (NGG)

Dear Judge Garaufis:

Mr. Bana is presently scheduled to be sentenced by Your Honor at 11:30 a.m. on March 30, 2012. Just recently, I received a copy of his Presentence Investigation Report. By this letter, I am respectfully requesting that Mr. Bana's sentencing be adjourned until 11:30 on April 6, 2012, if this date and time is convenient with the Court. This will provide me with the time necessary to adequately review the report with my client, and file objections, if any, thereto.

The government has consented to this request.

Respectfully yours,

/JRF/

James R. Froccaro, Jr.
